Hello Tracy

Since our organisation signed up with Kiwi Community Assistance in mid 2015 our Tawa and Plimmerton foodbanks have been receiving weekly orders of both fresh and non-perishable food items, toiletries, cleaning products and other basic domestic necessities.

These blessings have considerably boosted the food parcels our Tawa foodbank provides to people in need from Grenada North right through to Titahi Bay, including Elsdon and Takapuwahia in Porirua. Our Plimmerton foodbank caters for those in eastern Porirua suburbs between Ranui and Cannons Creek through to Pukerua Bay.

Thank you for the essential work that you and your organisation do to support us in supporting others.

Regards

Vicki Truijens
Centre Manager
